Vilnius • 2023

7th Meeting of the European Hereditary Tumour Group (EHTG)

Friday, Sept 29th – Sunday, Oct 1st 2023

Vilnius, Lithuania

Preliminary Programme

Invitation | 7th Meeting - Vilnius, Lithuania

Dear Members, Friends, Affiliates and Sponsors,

We are delighted to invite you to the 7th annual EHTG meeting in beautiful Vilnius, Sept. 29 to Oct. 1 2023. Our lively programme includes selected hot and controversial topics, debates, new interactive formats and our workshop day with in-depth scientific discussions. Join us in person or online during the hybrid event!

Days 1 (Friday) and 3 (Sunday) will follow the plenary format without parallel sessions. Day 2 (Saturday) is our dedicated working group (WG) day, with three parallel groups. The highest-rated abstracts will be allocated throughout the day for both days and into the working groups. Abstract submission will open shortly, and the abstract and speaker selection process will be finalised before the summer break.

Additionally, our meeting dates are back-to-back with the European Society of Coloproctology's annual conference on Sept 27-29; we envisage bilateral synergistic effects to come from this. On Thursday, Sept. 28, we will host the ESCP-EHTG joint symposium at the ESCP venue. On Saturday, an additional EHTG-ESCP workshop is scheduled for clinicians interested in surgical and gastroenterological management of hereditary predisposition syndromes.

After last year's successful launch, our 7th meeting provides an open platform for patient societies and networking. Continuing our international collaboration in this field, we welcome and encourage patients and patient societies to join us in person or virtually in Vilnius.

Vacation in beautiful Vilnius? Why not spend a few days before or after the meeting? Our venue, The Panorama Hotel, is located in Vilnius' old town, only 1.5km from the Gate of Dawn. The hotel's top-floor lounge gives guests spectacular panoramic city views. The historic Gediminas Tower and Town Hall Square can be reached within a 15-minute walk. Or head out further afield with the bus and train stations only a 3-minute walk from the Hotel.

Visit www.ehtg.org for more information and contact gs007@ehtg.org for all organisational queries. If you have any suggestions, please get in touch with any of the board members.

We are genuinely excited to see you in Vilnius!

Sincerely, your EHTG Board Members
